Dr. Joshua Lederberg
Rockefeller University
66th and York Ave.
New York, NY 10021

Dear Josh:

A belated note to congratulate Rockefeller University on its wisdom in obtaining your services and my admiration to you for taking on the task of keeping the best graduate school going. It is a great place and unless you've changed your own interests from the old days, you will have profitable fun.

Aloha,

H. Burr Steinbach
